Clarifications:

1. Criminal Background — Police Clearance

Costa Rica requires an official police clearance certificate from the country of nationality and recent residence.

2. Profit & Loss Statements

When formal profit and loss statements are unavailable, immigration authorities may accept alternative evidence that demonstrates business profitability and income stability.

3. Income Duration — 12-Month Requirement

Costa Rica's Digital Nomad visa requires proof of stable business income for at least 12 consecutive months. If you can only provide documentation for fewer months, additional evidence may be required.

4. Foreign Income — Business Revenue Must Be Earned Outside Costa Rica

For this visa category, qualifying income must be earned from business activities outside Costa Rica. Your responses indicate the income source does not meet this requirement.

5. Passport Validity — Expiration Window

Applicants must hold a passport that remains valid beyond a minimum time window. Your passport expiration date appears too soon to satisfy this requirement.
